

Oil Painters of America Show/Competition Submission Rules:

When submitting to Oil Painters of America shows and/or competitions, please strictly adhere to our rules outlined below. OPA strives to maintain the highest ethical practices and levels of integrity in oil painting. Our intent is to be true to the history of oil painting and the traditions that have been upheld for centuries.

- Paintings must be created on one singular flat substrate and framed and wired for hanging. Multiples are unacceptable – i.e., diptychs, triptychs.
- The substrate must not exceed the maximum size set forth in the prospectus. Be sure to read each prospectus carefully, as the acceptable size of the substrate changes depending on the gallery/museum.
- Copyright infringement of any kind is unacceptable. It is unethical and against OPA policy for artists to submit work created from another person's drawing/painting/photo or other artwork that is not solely the artist's copyright.
- Digital apps and programs may be used for cropping your reference photos, etc., but no digital, mechanical, photo, or other transferring to the substrate of any kind is acceptable. You must draw and/or paint the image on your substrate yourself.
- Your submission must be originally conceived: your own reference, your own drawing, your own concept and must have been self-painted.
- No direct copies of stock images, historic photos, or of any reference to which you do not hold total copyright are allowed. You must be able to provide signed documentation of total copyright should OPA request.
- Paintings created in an instructional setting, including but not limited to workshops and art classes are not considered original artwork. A painting created from a group photo shoot set-up by another artist is not considered original artwork. Paintings created in an open studio where artists share the model are acceptable provided there was no instruction being given of any kind.
- Paintings must have been created within the last 3 years.
- An artist may submit a painting for a National Exhibition that has previously been accepted into an OPA Regional Exhibition, Salon Show or entered in OPA's Online Showcase.
- An artist may not submit a painting for a National Exhibition if it has previously been accepted into another OPA National Exhibition.
- An artist may not submit a painting for a Regional Exhibition that has previously been accepted into a Regional Exhibition, Salon Show or an OPA National Exhibition.
- The artist retains copyright to his/her image(s). However, accepted images do become part of OPA archives and may be used for future OPA event promotion.
- All work must be for sale. No NFS. Paintings that do not reflect the artist's current pricing structure may be disqualified from the competition.
- An artist who withdraws an entry after acceptance into the exhibition shall not be eligible to enter any OPA exhibitions for the next two years.

DEFINITION OF RESIDENCY

Artists eligible to compete are citizens – both natural born or otherwise - of the United States, Canada, or Mexico who are current OPA members. Nonresident aliens who currently live in the United States, Canada, or Mexico are eligible to participate if they have been physically present at the address provided to OPA for eight of the last twelve months and that the residency is their permanent domicile.
