

Mystery Mini Rules

Please read this carefully as some rules have changed since previous years.

If you are interested in purchasing a Mystery Mini, you may put your completed tickets in the white bags under the paintings.

Each artist putting in a ticket is allowed **only ONE entry per bag**. These bags will be monitored prior to the Mystery Mini Event to ensure fairness to all.

Each of these small masterpieces will be sold for \$350.

You **MUST** be present to win. No exceptions.

“Winners,” chosen by draw at the Mystery Mini event, have the right to purchase a Mystery Mini. No matter how many times a person’s name is drawn to purchase a painting, there is a **limit of TWO PAINTINGS PER PERSON**. If your name is drawn from a bag, you **must** purchase the first painting. If your name is drawn again, you have the right to refuse. You would still have the option to purchase a second painting after that if your name is drawn again.

Whodunnit? Rules

For a **donation of \$20**, you can get a Whodunnit? sheet with all of the Mystery Mini participating artists’ names. Solve the mystery of Whodunnit? by looking at the painters’ styles, as well as the short fun facts which may also give you a hint as to the artist. This will allow you to be a super sleuth and try to pair the painting numbers to the artists’ names on the sheet. Those sheets are **available at the registration desk**.

Whoever matches the most paintings correctly with the artists’ names will win half of the proceeds from the Whodunnit? sheet purchases.
