

OPA MYSTERY MINI RULES FOR COLLECTORS

HOW TO ENTER

Registration for the Convention qualifies you to enter. You will find your ballots in your badge envelope. For each Mystery Mini you're interested in, fill out **one ballot** and place it in the corresponding white paper bag below the painting.

You may use all your ballots, but *only one per painting*. Any duplicates will be removed before the draw.

ENTRIES CLOSE AT 1:00 PM ON FRIDAY, MAY 30

HOW TO WIN

Winners will be chosen by draw at 3:00 on Friday, May 30. You must be present to win: no exceptions. Each painting is priced at \$350.00. When your name is drawn, go first to checkout, and then receive your painting from the staff.

The first time your name is drawn: you must purchase that painting.

If your name is drawn more than once: you may purchase or pass each time your name is drawn, until you have purchased two paintings.

If you have purchased two paintings and your name is drawn again, your name will be bumped to the end of the list for that bag; that is, everyone else in that bag has to pass in order for you to be the winner more than twice.

WHODUNNIT?

BE A SLEUTH. GAIN SECRET ADVANTAGE.

WHODUNNIT? sheets are available at the registration desk for a donation of \$20.

The goal is to solve the mystery and gain advantage by matching paintings with the names of the participating artists listed on the **WHODUNNIT?** sheet. Look at the paintings, observe style and subject matter, consider the three clues listing little-known information about the artists, and make your play.

It is very unusual for anyone to guess all the names correctly. Therefore, whoever correctly matches the *most* paintings with artists will win. In the case of a tie (two or more people submitting equally correct sheets), there will be a draw among the top contenders.

The winner gets to call dibs: the ability to claim any painting in the Mystery Mini draw for purchase. The winner must be present for the draw, and must wait until the bag for their chosen painting comes up in the draw and then-before any name is called- holler "I CALL DIBS!"

Thank you for your participation and support of OPA!
