Over Yonder by Jill Basham OPA

DEMONSTRATION ARTIST JILL BASHAM OPA

Jill Basham OPA is inspired by nature's beauty and atmosphere, drawn to how light, skies, and expansive views capture the feeling of a place. Embracing experimentation, she works with brushes, palette knives, and unexpected tools, allowing each painting to evolve in its own direction. The goal is to create more than a representation of a scene, but to capture its mood, emotion, and story, and invite viewers to not only see the place, but feel it.
